

Blow Guns

GUARDAIR

Safest Safety Air Gun Available

- Adjustable trigger set screw insures repeatability
- 1/4" NPT inlet. Maximum operating pressure 120 psi.
- Delivers high thrust with pinpoint accuracy
- Limits static pressure to 30 psi when tip is blocked
- Safety air shield protects workers from chip fly-back
- Meets OSHA standards

Clean machine tools, woodworking and other production equipment

#74SK

\$17.32

Blow Guns

GUARDAIR

Most Economical Syphon spray Gun Available

- Pistol grip spray gun for heavy-duty use
- High vacuum syphon delivers up to 16 gallons per hour
- 12" extension for reaching difficult, hard to reach locations
- Adjustable trigger and nozzle tip control volume & spray pattern
- 1/4" NPT inlet. Maximum operating pressure 150 psi.
- Meets OSHA standards

Sprays oils, solvents, insecticides, and coatings

#79SG012

\$62.58

Longest Safety Air Gun Available

- Venturi tip increases thrust & limits static pressure to less than 30 psi when tip is blocked
- Ideal for reaching inaccessible or difficult to reach locations
- 1/4" NPT inlet. Maximum operating pressure 150 psi.
- Meets OSHA standards

Standard lengths: 24 inches

Clean rafters, pipes, machinery, conveyors, and floors under equipment

#75LJ024AA

\$29.61

GUARDAIR

Most Compact Safety Air Gun Available

- Compact, thumb lever operated air gun fits comfortable in the palm of the hand
- Venturi tip boosts the thrust and limits static pressure to less than 30 psi when tip is blocked
- Economical, rugged, die cast aluminum construction
- 1/4" NPT inlet. Maximum operating pressure 120 psi.
- Meets OSHA standards

Clean workbenches, machine tools, injection molding equipment, and production machinery

#900

\$12.08

GUARDAIR

Quietest Safety Air Gun Available

- Unique nozzle design reduces noise levels 6-20 dB less than conventional air guns
- Ergonomic pistol grip and trigger eliminates hand fatigue
- Solid conical tip design prevents blockage of nozzle
- 1/4" NPT inlet. Maximum operating pressure 150 psi.
- Meets OSHA standards

Clean benchtops, machinery and equipment, in noise sensitive areas

#80WJ

\$21.11

GUARDAIR

Lightest Extended Reach Safety Air Gun Available

- Compact, thumb lever operated air gun fits comfortably in the palm of the hand
- Economical, rugged, die cast aluminum construction
- Venturi tip boosts the thrust and limits static pressure to less than 30 psi when tip is blocked
- 1/4" NPT inlet. Maximum operating pressure 120 psi.
- Meets OSHA standards

Standard lengths: 12 inches

Clean and dry machines, ovens, floors, rafters, and production equipment

#900LG12

\$23.52

GUARDAIR

Most Powerful Safety Air Gun Available

- Designed to quickly move large volumes of debris
- Venturi tip increases thrust & limits static pressure to less than 30 psi when tip is blocked
- Rugged, cast aluminum body with pistol grip handle and full length trigger
- 1/4" NPT inlet. Maximum operating pressure 150 psi.
- Meets OSHA standards

Standard lengths: 24 inches

Clean paper making, textile, metal cutting & woodworking equipment

#75XT024AA

\$33.71

GUARDAIR

Flex-Angle Swivel Fitting

A unique, patented swivel fitting which provides 360° of rotation, and up to 45° of angle in any direction. Eliminates hose kinking and reduces hand, wrist, elbow and shoulder stress from heavy or non-flexible air hose. Lightweight, steel construction. Polyurethane dust cover protects rotating joint.
