

Mini Ratchet Lever Hoist

The CM Series 602 mini hoist is the most compact ratchet lever hoist in the market with these great features:

- Plated load chain is standard
- Weston type load brake
- Rubber grip for better comfort and security
- Lightweight design weighs only 5 pounds for ease of operation and portability. Use in confined conditions with one hand operation
- Forged upper and lower hooks with latches standard
- Impact resistant all-steel frame, gear case and cover
- Hardened link type steel load chain for strength and long wear
- Free chaining feature serves to quickly attach the load
- Conforms with ASME B30.21
- Capacity 550 lb
