- Full lifetime warranty

IN2  
\$5.74

### LED LIGHTS

Rayovac's newest entries in the Sportsman product line—the Clip-Lite and Head-Lite—feature LED technology. LED lights are much more efficient than regular bulbs and use less energy. Batteries used in these lights can last up to 20 times longer! LED lights can last a lifetime (up to 10,000 hours or more) don't heat up and won't crack or break!
